

BEWARE!

YOUR HALLOWEEN DECORATIONS

Photo by Dave Stapp, Marin Humane

MAY BE HAZARDOUS TO WILDLIFE!

Any decorations like fake spider webbing that dangle, hang or wrap can entangle wild animals like this Western Screech Owl!

Please consider wildlife safety when decorating your home for the holiday. Any type of netting or webbing **MUST** be checked twice a day, at dawn and dusk, to check for entangled animals. Please also dispose of Halloween candy, pumpkins and other edibles to prevent unwanted wildlife visitors!

Learn more at discoverwildcare.org or call WildCare's Living with Wildlife Hotline at 415-456-SAVE (7283).
