

Best in Show: Raccoon Swimming by Marianne Hale

2014 photography contest

Spectacular photographs! Our eighth annual Living with Wildlife Photo Contest was open to entries from throughout the state of California, and more than 200 entries in this year's contest provided special glimpses of the wide diversity of wildlife in California, and the stunning natural spaces they call home.

We extend special thanks to our hard-working professional photographer judges Frankie Frost, *Marin Independent Journal*; Tim Porter, *Marin Magazine*; and to WildCare's Director of Wildlife Solutions, Kelle Kacmarcik, for contributing their time and expertise. The photographs judged to be the top five in each category are listed and shown in the gallery at right, and at wildcarebayarea.org/photocontest.
