

Best in Show: Yellowlegs with Water Droplets Photo by Susie Kelly

Close up on our local wildlife! Our Ninth Annual Living with Wildlife Photography Contest brought us over 250 entries from all over California, offering singular glimpses of the wide diversity of California wildlife and the stunning places they call home.

We extend special thanks to our hard-working judges – Frankie Frost, Kate Van Gytenbeek and Randall Bryett for contributing their time and expertise.

The top five photographs in each category are shown in the gallery at right, and online at wildcarebayarea.org/photos.
