WildCare's Wildlife Camp provides campers with an unforgettable wildlife experience including live animal visits from our rescued wildlife ambassadors, animal-themed games, nature crafts, outdoor adventures, and much more!

Weekly camp programs are designed to captivate, engage, and challenge young people while building conservation knowledge and values. Wildlife Camp is a fun way to learn about wildlife and instill a life-long respect for the environment.

Scholarships Available!

For detailed descriptions of each week of camp please visit our website.
