

Birds of a Feather

All birds have wings and feathers that cover their bodies and keep them warm and dry. Some birds use their wings and feathers to fly, but not all birds!

Can you guess which birds can fly?

Color the birds that **can** fly **BLUE**.

Color the birds that **cannot** fly **RED**.

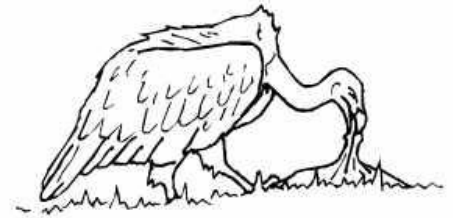

(Hint: there are only 3 flightless birds on this page)

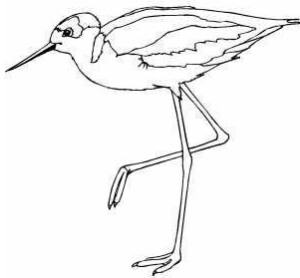

Adelie Penguin

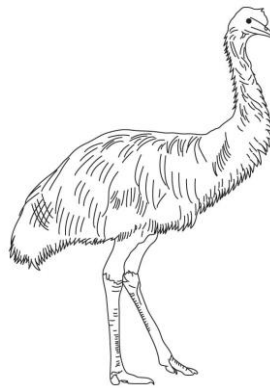

Crow

Turkey Vulture

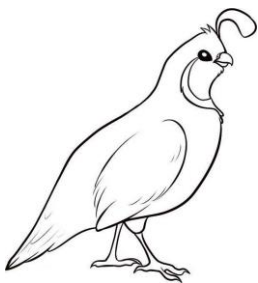

Stilt

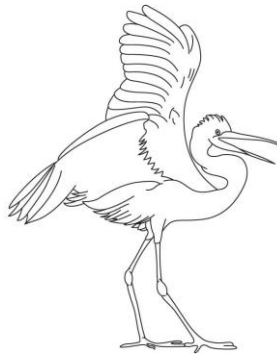

Emu

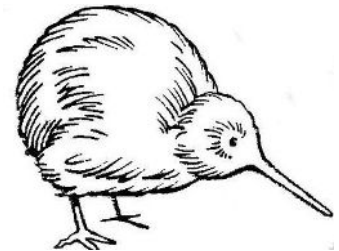

Bald Eagle

California Quail

Snowy Egret

Kiwi
