Leopard Shark

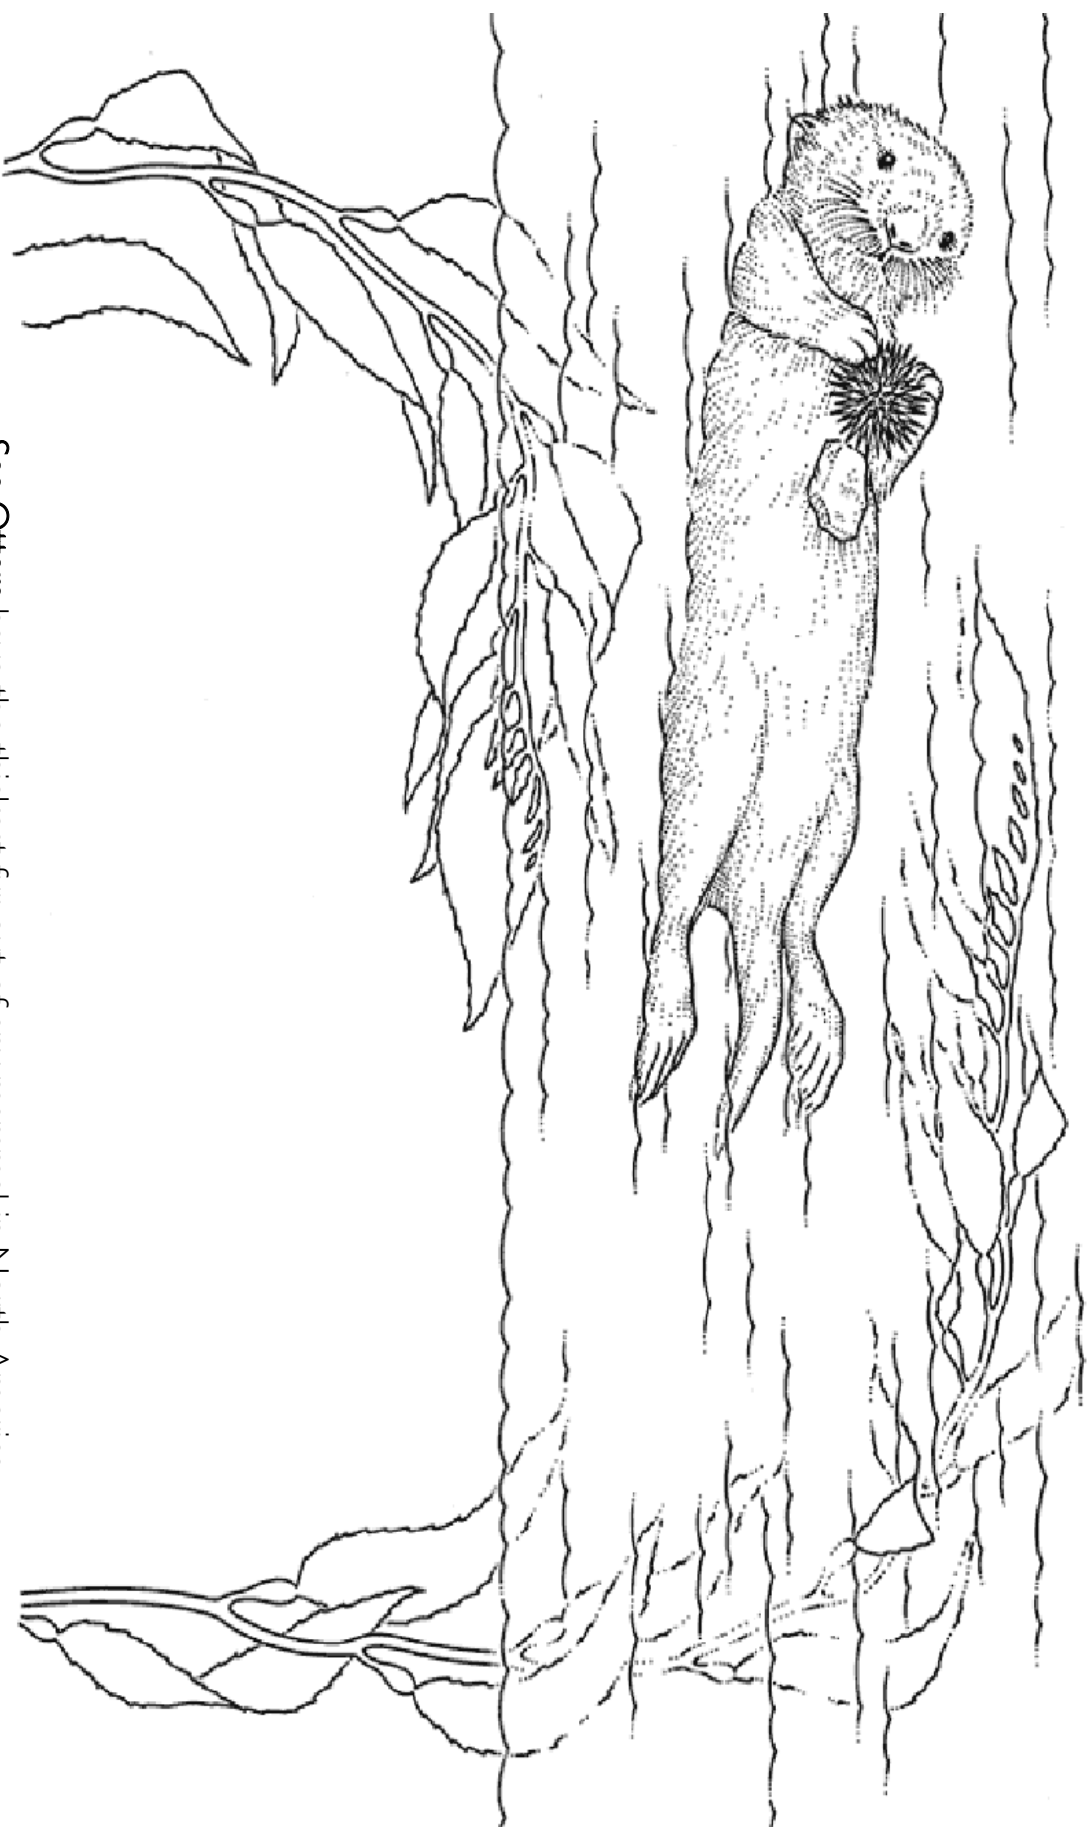

California Quail

The California Quail says "*Chi-ca-go, Chi-ca-go.*"
These birds like to eat seeds and grain.
Color all the feathers on the Quail!

Sea Otter

Sea Otters have the thickest fur out of any mammal in North America.

The fur helps keep them warm as they swim in the cold ocean water.

Sea Otters are very important for the Kelp Forest to stay healthy.

Draw a Sea Otter swimming under the kelp!
