

# Marvelous Mammals

Mammals are animals that have certain traits in common with each other.

Rabbits, foxes, bobcats, and humans are all mammals. Figure out the words that WildCare will teach about during the Marvelous Mammals presentation by filling in the vowels.

F		R
---	--	---

Hint: Mammals have this on their body.

M		L	K
---	--	---	---

Hint: Baby mammals get this from their mothers.

P	R		
---	---	--	--

Hint: An animal that is hunted.
